

FISCAL NOTE

SB 298 - HB 436

March 31, 2007

SUMMARY OF BILL: Requires the Tennessee Bureau of Investigation (TBI) to establish and maintain an electronic purchase log of methamphetamine precursor sales throughout the state.

ESTIMATED FISCAL IMPACT:

**Increase State Expenditures - \$102,100 Recurring
\$133,400 One-Time**

Assumptions:

- The TBI would require an additional programmer/analyst 4 position to establish and administer the electronic purchase log. Recurring costs of \$102,100 reflect \$83,431 for salary and benefits and \$18,700 for printing, supplies, professional services and other related expenses. One-time costs of \$133,400 for professional services, supplies and equipment.
- The Board of Pharmacy will have increased expenditures for additional investigations and additional revenues for the additional collection of civil penalties. However, such increases are estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
